

Salesforce.com Foundation Board of Director's Agreement

As a Board member of Salesforce.com Foundation you are an essential and important link to the community. A commitment to serve on the Board carries with it certain expectations, both formal and informal. The organization's commitment to you is to make your board experience rewarding and enjoyable and to help you exercise your special skills and talents on behalf of the Foundation.

As a Board Member you agree to:

1. Attend annual Board meeting to approve yearly budget and operating plan. This meeting usually takes place via a 1 hour conference call in the August/September time frame. Your presence, opinions, knowledge and guidance are vital to the organization.
2. Become familiar with Salesforce.com Foundation programs and attend events when possible.
3. Represent and serve as an ambassador for Salesforce.com Foundation to the community, acting as a spokesperson and communicating its mission, work and values;
4. Act in the best interest of the organization, and, if necessary, excuse yourself from discussions and votes for which you may have a conflict of interest.
5. Execute the stewardship, governance and fiduciary responsibility of a Board member, and work in good faith with staff and other board members as partners toward achievement of the Foundations goals and mission.

We are very pleased that you will be joining us in our work to increase community involvement to improve the lives of underserved students through technology and service based projects. We look forward to working with you in the years to come.
